

## WELCOME TO BLUE WHALE!

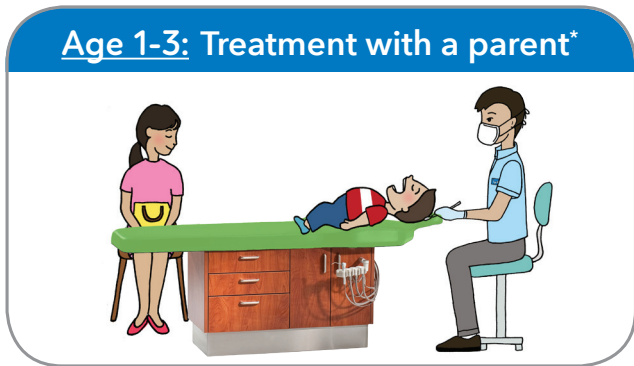

This is about more than just baby teeth. This is an opportunity to build physical & emotional wellness, and self-confidence & responsibility in future adults.

**OUR GOAL** Help children become healthy, happy, and well-functioning individuals.

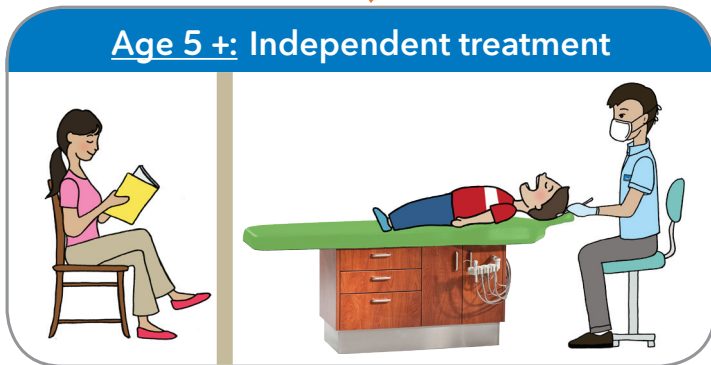

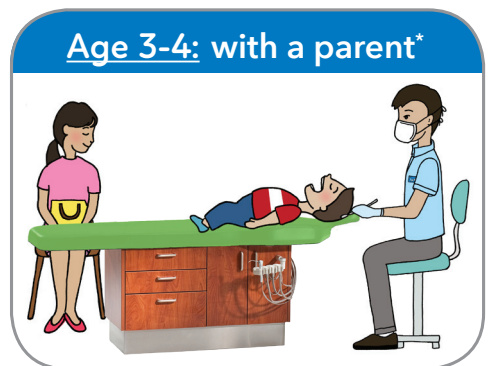

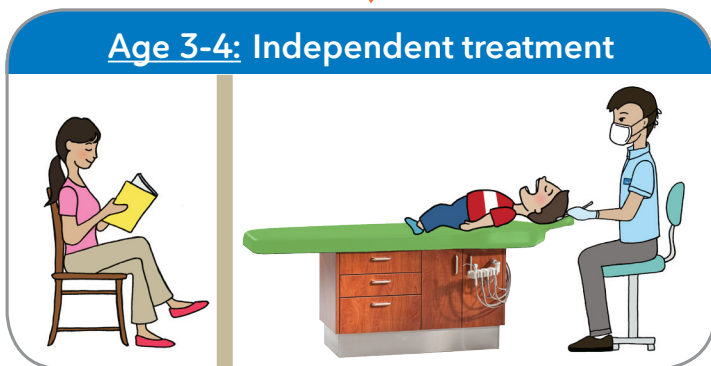

**OUR RECOMMENDED PROCESS** Build communication, self-confidence, and self-control.

It is a learning and growing process.

\* Please discuss parental participation in advance, in order to make an appropriate room/privacy arrangements.

**OUR APPROACH** Communication is the key to success.

Dr. Gavin and his trained team are ready to meet your needs. We work together to ensure you and your child will have a positive dental experience. We have a quiet consultation area where we can discuss plans with you. Please let us know how we can best support your child's physical and emotional growth.

Find us on **yelp** and **facebook** and let us know how we are doing.
